The President Sends to Congress a Message Accompanying His Approval of the Chinese Bill.

The Greation of Arbitration Boards to Settle Labor Con roversies approved by Cleveland.

A MESSAGE.

Washington, O.t. 1 .- The President sent to Congress to-day his approval of the Chinese restriction bill, and accomto entire ground covered by the se the restriction bill upon the bluese government which has signally tailed to excry out its expressed purpose of aiding in the curtailment of the steady flow of its laboring population to the U ited States. After reciting the nego distings between the representatives of the two governments the Presi dentsay: Time from the unexpected and disappointing refusal of the Cuinese A G. Thomas and Mass Ada L. Hassell, government to confirm the acts of its authorized agent and carry into effect an international agreement the main feature of which was voluntarily pr sented by that government for our acceptance, and which had been the su ject of long and car ful deliberation, au emergency has wisen in which the government of the United States is called on to act in self defense by its legislative power; bu while thus exercising our uncoubted rights in the interests of our people and for the general welfare of our country JUSTICE AND PAIRNESS

seems to riquire that some provision ness su j cts as have suffered damages through vi lence is remote and compara tively unsettled pordons of our country at the bands of lawiers men. Therefore, I recommend that without schu wards ing legal Hability therefor, but because failed to take effect, and in a spirit of hunselty belitting our nation, be appropriated the sum of \$276,619 75 nil indemnity for all losses and bringes tioned. The President also recommends that Congress provide that such Chinese laborers as have actually embarked on heir return to this country before pass-

age of this bill may be permitted to land. SIGNED BY THE PRESIDENT. Washington, Oct. 1 - Pac President has signed the act to create boards of arbitration or commissions for the set tling of controversies and differences between rattroad corporations and other common carriers engaged in inter-state and territorial transportation of property or passangers and their employes.

THE TARIFF BILL There was a full meeting of the Senate financial committee this morning and three or four points left open in the tariff bill were considered and disposed of.
